1990 PRESENTERS DIRECTORY

INTRODUCTION

The South Carolina Arts Commission is pleased to publish a 1990 Presenters' Directory. Two years ago a joint directory of North and South Carolina Presenters was produced by the North Carolina Arts Commission. This present directory is an update of the South Carolina entries to that 1988 directory, both updating and expanding the information.

The directory consists of South Carolina Performing Arts Presenters who responded to our questionnaire and who offer performances to the general public, either in subscription or single event format.

HOW TO USE THIS DIRECTORY

South Carolina Presenters are listed alphabetically. Each listing follows the format below:

Name
Address
Contact Person
Phone Number
County
Budget information
Presenting information
Booking information
Audience served
Facility information
Additional notes

Data which is missing for some presenters' listings was not provided by the presenter. The directory is unbound so that additional pages can be inserted as they are sent to you.

NETWORKING AND BLOCK BOOKING

One of the primary purposes of publishing this directory is to encourage the concept of networking and block booking among South Carolina Presenters. The South Carolina Presenters Advisory Committee is working toward establishing a

strong statewide presenters network. A result of this committee's work to date is a newsletter, The South Carolina Arts Presenters Information Exchange, which first appeared in October, 1989. For further information concerning this newsletter please contact Ron Pearson, Koger Center for the Performing Arts, USC, Columbia, South Carolina 29208, phone 777-7500.

GRANTS FOR PRESENTERS

Grants are available for presenting organizations annually through various programs of the South Carolina Arts Commission. For grant guidelines and deadlines contact the South Carolina Arts Commission.

UPDATING

Updating of this directory will be on-going. Please send any changes in contact person, data, etc. to the South Carolina Arts Commission and this will be entered into our computer. We plan to release a revised and updated directory as the need arises.

AVAILABILITY OF DIRECTORIES

The 1990 Presenters Directory is being mailed to presenters listed in the directory, and to South Carolina Arts Commission Community Tour artists. A limited number of directories are available on request to South Carolina presenters not represented in the Directory, as well as to performing artists interested in touring. For further information please contact:
